BOARD OF COMMISSIONERS**

SECTION 1-101. CREATION OF BOARD OF COMMISSIONERS

- (a) There is created in and for the County of Newton a chair and board of commissioners to be elected and organized as provided for in this Act. The chair and board of commissioners shall exercise the powers, duties, and responsibilities vested in and upon said officers by the provisions of this Act. The term "board" or the term "commission," whenever used in this Act, shall mean the board of commissioners of Newton County, including the chair and all members.
- (b) The board of commissioners of Newton County in existence immediately prior to the effective date of this Act is continued in existence, but on and after the effective date of this Act shall be constituted as provided in this Act. The board of commissioners of Newton County so continued and constituted shall continue to have the powers, duties, rights, obligations, and liabilities of that board as existed immediately prior to the effective date of this Act.

- (c) Those members of the board who are serving as such immediately prior to the effective date of this Act and any person selected to fill a vacancy in any such office shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors.

SECTION 1-102. COMMISSIONER DISTRICTS

- (a) For purposes of electing members of the board of commissioners, Newton County is divided into five commissioner districts. One member of the board shall be elected from each such district. - (b)(1) For the purposes of such plan:
 - (A) The term Voter Tabulation District (hereinafter referred to as 'VTD') shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. - (2) Any part of Newton County which is not included in any district described in this section shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia.
- (3) Any part of Newton County which is described in this section as being included in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia.

- (c) Commissioner Districts 1 through 5, as they exist immediately prior to the effective date of this Act, shall continue to be designated as Commissioner Districts 1 through 5, respectively, but as described under this Act; and, on and after the effective date of this Act, such members of the Board serving from those former commissioner districts shall be deemed to be serving from and representing their respective districts as newly described under this Act.

SECTION 1-103. BOARD OF COMMISSIONERS
